## **BOOK SYNOPSIS**

A workshop held at the Law and Economics Faculty of the University of Bonn in November 2008 aimed at stimulating the debate on the economic implications of the principles and rules enshrined in the DCFR (Draft Common Frame of Reference of European Private Law). An essential part of the papers presented at the Bonn workshop are now being published. The topics addressed range from general issues such as the policies of anti-discrimination and consumer protection to analyses of specific legal areas, like the law of remedies, the law of service contracts and the law of torts or delict.
