BOOK SYNOPSIS

The new National Geographic Benchmark Recreation Atlases are an ideal recreation resource complete with accurate, detailed topographic maps. They contain a wealth of robust travel information, including campground locations, state park maps, sports and activity destinations, museums, hunting and fishing information, historic sites and even climate details. Every feature is clearly labelled, field-checked and verified, and everything is organised for convenience and intuitive ease-of-use. The books feature a double laminated cover to prevent wear and tear.
